

2016 LOCAL GUARDIAN FORM FOR SIP INTERNS
WHO DO *NOT* LIVE IN THE BAY AREA

The SIP program does *not* provide UCSC campus housing on *weekends* or during the *first two weeks* of the program (June 5–18, 2016). During *weeks 3–10*, campus housing is available on *weekdays/weeknights only* (Sunday night through Friday afternoon each week). For this reason, all SIP interns are required to have a local guardian. If a SIP intern lives outside the Bay Area, her/his parent/legal guardian must designate a local guardian who agrees to have responsibility for the SIP intern when she/he is not involved in the program or in UCSC campus housing.

SIP intern name	SIP intern email	SIP intern cell phone

“I designate the local guardian named above to take responsibility for my child while she/he in an intern in the SIP program at UCSC from June 6 through August 13, 2016.”

“I agree to act as the local guardian for this SIP intern while she/he is participating in the SIP program. I understand that I am expected to communicate with her/his parents, ensure that she/he has transportation to/from the UCSC campus as needed, and provide housing and oversight when UCSC campus housing is not available.”
